

Dedicated to improving the quality of life in our little corner of San Jose

The Lynhaven Neighborhood Association Annual Dues Campaign

The Lynhaven Neighborhood Association (LNA) is a group of your neighbors who volunteer their time to improve the quality of life where we live by working with the city, police and local businesses. We organize Dumpster Day, E-Waste Recycling, Beautification Projects, National Night Out (ice cream social) and an Emergency Response team. This year there are no grants available from the city. A \$20 minimum donation per family will help us fund such events; however larger donations are graciously accepted. LNA meets monthly on the 3rd Thursday of each month at 7 PM at the International Christian Center, 3275 Williams Road. Be sure to visit our website, www.lynhaven.org for updates on LNA, our neighborhood and upcoming events. Please call President, Jerry Giles, 408-249-7077 with questions.

Please help the Lynhaven Neighborhood Association by volunteering your time and/or support with yearly dues of at least \$20 per family.
